MESSAGE OF FELICITATIONS WITH MY ALMA MATER

On behalf of my family, I thank the Almighty God for this rare opportunity to rejoice with my great and highly cherished alma mater, the University of Uyo, on this occasion of its 22nd and 23rd double-stream convocation ceremonies.

As an alumnus of this University, I have been following with keen interest, the steady progress of our great Institution in spite of financial challenges. I must here commend the formidable supports given to the University by His Excellency, the Executive Governor of Akwa Ibom State, Mr Udom Emmanuel, in ensuring that the University attains its place of pride amongst other tertiary institutions in the country. Especially heartwarming and highly praiseworthy, is the Governor's huge confidence in the products of the University as displayed in the generous opportunities offered them to serve under his administration in the State.

The contributions and efforts of all the previous Governors of the State to making the University of Uyo what it is today through their various interventions which provided succor to the University in critical moments and areas are also highly commendable.

Let me specially salute the giant strides of the present Administration of the University under the leadership of Professor Eneflok Essien, as well as the past management teams that piloted the affairs of the University from its inception.

Finally, I wish to use this occasion to congratulate the Vice-Chancellor, Professor Eneflok Essien, on the recent conferment with the coveted status of Senior Advocate of Nigeria (SAN), and urge him to continue to bring his wealth of experience as a legal luminary, University scholar and seasoned administrator to bear in the running of the University.

Long live the University of Uyo!
Long live Akwa Ibom State!
Long live the Federal Republic of Nigeria!

GOODWILL MESSAGE TO THE 22nd/23rd CONVOCATION OF UNIVERSITY OF UYO

I write on behalf of the Executive Management of the Oil and Gas Free Zones Authority (OGFZA) of Nigeria to convey the felicitations of the Authority to the Council, Senate and the Vice Chancellor on the occasion of the 22nd/23rd Convocation of the University.

We at OGFZA are proud to be associated with the University. Since its establishment in 1980, the University of Uyo has served as the prime institution for the training of higher-level manpower to meet the human capital needs of our State, Akwa Ibom State. In this wise the footprints of the institution are evident in the state judiciary, the legislature, the executive branch and the civil service. A good deal of the management positions in the private sector in the state are manned by men and women that passed through the portal of the institution.

The University has also made its mark in research and community service. At the national level, the University of Uyo is holding its own in spite of peculiar challenges such as lack of take-off grant for its development, 27 years after its founding, and the general economic decline that has impacted funding to all institutions of higher learning in the country.

Nearly three decades after it opened its gate to the first set of its undergraduate students, the scorecard shows that the University has made good progress and left a positive impact on its environment. The school deserves the support of all both in the state and in the nation at large.

Vice Chancellor, Sir, we wish you a successful convocation ceremony.

Yours faithfully,

Umama Okon Umama
Managing Director/CEO.
